ACCA

ACCA ACCELERATE PROGRAMME (AAP) FOR APU/ APIIT STUDENTS

The ACCA QUALIFICATION

The ACCA (Association of Chartered Certified Accountants) Professional Qualification is a highly sought globally recognised professional qualification by employers worldwide.

The syllabus consists of extensive coverage of the industrial expectations and will equip participants with relevant knowledge and employability skills to become competent practitioners.

The ACCA professional qualification consists of 14 papers – nine “Fundamental” Level papers and five “Professional” Level papers. The Fundamental papers (F1- F9) equip participants with a comprehensive understanding of the knowledge, skills and techniques required by a modern professional accountant. The Professional papers (P1-P7) build upon the technical skills already acquired by students and explores more advanced professional skills, techniques and values that are required and used by the expert accountant acting in an advisory or consultancy role at a senior level. To qualify as an ACCA member, you must complete 14 papers, a Professional Ethics module and must have a minimum of three years’ practical experience.
