20th March 2020

Dear Students,

The Malaysian government has imposed a **Restriction of Movement Order from 18th March to 31st March 2020**. During this period, you are strongly advised to remain at your accommodations and avoid any forms of non-essential travelling, including social gatherings, meeting up with friends / family, non-essential shopping etc.

You may make quick trips to obtain necessities as supermarkets, grocery stores and eateries (takeaway & delivery only) remain operational during this period. **Our on-campus cafeteria (takeaway) and convenience store remains open too**. Food delivery options such as GrabFood, Foodpanda etc. remain operational as part of essential services.

Picante Cafe will also be offering delivery services from 11am to 6pm daily. You may contact Picante Cafe for the delivery at +6 012-466 2829. Under the Restricted Movement Order, please also be informed that **the on-campus Picante Cafe will close at 10pm daily**.
