

COVID-19 UPDATE: MOVEMENT CONTROL ORDER (MCO)

Friday, 7th May 2021

Dear Students,

As you are aware, **Movement Control Order (MCO)** has been implemented in **Kuala Lumpur from 7th May 2021 to 20th May 2021** and in **Selangor from 6th May to 17th May 2021**.

Please note the following:

1. Online Learning will continue for all intakes.
2. Hybrid classes (where scheduled) will continue for students staying nearby the Campus or living On-Campus. All other students are encouraged to attend classes from their home and restrict their movement. We are unable to assure students that they will be allowed to pass Police checkpoints as this is totally at the discretion of the Police.
3. Library & Laboratories will remain open.
4. Sports & Gym facilities on campus will be closed during the MCO, in compliance with SOPs issued by the authorities.
5. Administrative Services, Visa Services, Bursary & Students Services will remain open from 10 AM to 4 PM. If you need to visit the campus for these services, please make an appointment at <http://www.apu.edu.my/explore-apu/contact-us>

Please do follow the SOPs published and do not participate in any social gatherings. Avoid unnecessary travel outside of your place of residence, practice good hygiene and take all necessary precautions to minimise the risk of infection.

Roadblocks and strict enforcement will be implemented by the authorities in line with the MCO and non-compliance may lead to a fine and or detention.

Overall, please do take all measures to stay safe - keep your face masks on whenever you leave your residence, avoid unnecessary physical contact, maintain social distancing at all time and most of all sanitise regularly.

As in many other countries, the situation with new COVID-19 infections in Malaysia has become quite serious and it is vital that we all do our part to bring the numbers down. Please also ensure that you have registered for the Vaccination programme.
